Terms and Conditions of Sale

1. General

All orders accepted are subject to these terms and conditions of sale. No variation or addition to these conditions shall have effect unless agreed in writing by Pantheon Catering Equipment.

2. Description

Although every effort has been made to ensure that the descriptions and illustrations in our catalogues are correct they do not constitute a sale by description. We reserve the right to modify or vary the design, specification or finish of any of our products without notice.

3. Price of Goods

The price of the goods shall be the price listed in the company's published price list current at the date of despatch of the order less agreed discount.

4. Payment

We will despatch goods to customers who do not have a credit account with us only when payment has been received against a pro-forma invoice. For customers with a credit account, payment is required within 30 days from date of invoice.

In the event that any payment due to the company is withheld or delayed, the company reserves the right to suspend further deliveries to the buyer and if necessary recover from the buyer on a full indemnity basis with interest on all costs incurred by it in obtaining payment including solicitors' fees.

5. Delivery

We will endeavour to deliver the goods within the time agreed when the buyer places an order, if no time agreed then within a reasonable time. If, despite those endeavours, the company is unable for any reason to fulfil any delivery or performance on the specified date, the company will be deemed not to be in breach of the contract and have no liability to the buyer for direct, indirect or consequential loss. Any costs incurred due to inadequate site access shall be charged to the buyer.

It is the buyer's responsibility to inspect the goods at the time of delivery. Failure to do so may result in the buyer being responsible for costs incurred due to any damage or discrepancy.

For any shortfall of goods, damage on delivery or any other discrepancy notification must be received in writing by email or fax within 12 hours from the time of delivery. In the absence of such notification the buyer shall be deemed to have accepted the goods.

6. Returns

Any goods agreed by the company as acceptable to return for any reason (excluding faulty goods) will be subject to a restocking charge of 25% of the net invoiced price plus any collection charges.

7. Warranty

In the case of the goods being defective due to any defects in material or workmanship within 12 months from the date of purchase the company will at their own discretion either replace or repair such goods. Warranties, unless otherwise stated are of a back-to-base nature.

Any equipment repaired at Pantheon Catering Equipment's discretion will be under warranty for the remainder of the 12 month period from the date of the original purchase, and not from the date of replacement.

It is not Pantheon Catering Equipment's responsibility to liaise with the end user. It is the sole responsibility of the dealer to contact their customer over all warranty issues.

Equipment held for stock must be sold by the dealer within 12 months of the dealer purchase date for the 12 month warranty to be passed on to their customer.

The warranty excludes bulbs, glass, door seals, pizza bricks, planetary mixer stop buttons and toaster elements.

Items being returned to the manufacturer for repair must be packaged securely in such a way that they will not become damaged in transit as this will render the warranty invalid. Whether packaging is sufficient will be decided at the discretion of the manufacturer. Pantheon Catering Equipment will accept no responsibility for items damaged in transit.

8. WEEE Directive Compliance

On 1st July 2007 the UK WEEE (Waste Electrical and Electronic Equipment) regulation came into force. These regulations require that electric/electronic equipment, placed on the UK market is disposed of correctly when it has reached the end of its useful life.

As a 'Producer' of electrical and electronic equipment (EEE) Pantheon are legally responsible for the collection and treatment of WEEE under the following circumstances:-

a) Pantheon will take back 'like for like' units purchased before 13th August 2005 with prior notice at the customer's expense, (like for like meaning equivalent type fulfilling the same function and of similar size and weight).

b) All Pantheon electrical and electronic equipment.
